

VISITOR GUIDELINES

The Arboretum is a tree & wildflower preserve

Please help us in being good stewards of the Arboretum!

- **Please discard all trash and recyclables** in the correct receptacles. Help us preserve this beautiful space!
- **Do not remove any natural or man-made materials** from the Arboretum (flower picking, plant or wood removal)
- **No flames** anywhere in the Arboretum, including grilling fires.
- **Extinguish cigarettes**, discard cold butts in trash cans.
- **Group sports on the lawn are prohibited.**
- **Please do not feed the ducks.** The Arboretum's pond habitat can support only a small number of ducks. When they rely on food from the public, they overpopulate and deteriorate the pond's health.
- **Leashed dogs are welcome!** Please pick up after your dog. Courtesy bags are located at both of our welcome boards, please dispose of bag(s) in trash can.
- **People and dogs must stay out of the pond, streams, and water features.** Our ponds and streams are for ducks, turtles, frogs, and fish.
- **Fishing is prohibited.**
- **No bicycles allowed on chipped trails.** Use of gravel road between Neff Ave and University Blvd is allowed for student access to campus.
- **Professional photographers must register in advance** for photo sessions. Information at www.jmu.edu/arboretum
- If you witness an incident that needs rescue or law enforcement, please call:

JMU Emergency Line: **540-568-6911**
